

I am certain you are aware of the plans being made by Sinclair Broadcasting Group regarding the airing of a smear piece on Senator John Kerry; I am certain that you know SBG is ordering its 62 local stations to pre-empt regular programming to air this piece. I am also certain that you know that Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of direct electioneering by corporate media and is against federal law!!!

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. You have the authority to stop this harmful, partisan move and make certain that SBG adhere's to its duty to serve the public interest rather than personal politics.

Sinclair's decision also shows why we need to strengthen media ownership rules, not weaken them.
Thank you.
